

POLICY STATEMENT FOR HEALTH, SAFETY, SECURITY & THE ENVIRONMENT

In SSTCM, we are committed to:-

COMPLIANCE ASSURANCE

- Comply with all relevant laws, rules and regulations, and adopt the best HSSE standards and practices into our workplace

HSSE AS A CRITICAL BUSINESS ACTIVITY

- Manage HSSE matters at a similar level to any of our critical business activities by providing a framework for setting the HSSE objectives

RISK MANAGEMENT

- Manage potential HSSE and integrity risks effectively through controlled and identifiable measures including eliminating hazards and reducing HSSE risk, in order to prevent injuries, illnesses, accidents and incidents in our workplace

HSSE IS A WAY OF LIFE

- Ensure that all workers including their representatives understand their respective accountabilities on HSSE matters, constantly consult, regularly review and share our commitment to continually improve our HSSE standards

PRODUCT STEWARDSHIP

- Optimize efficient usage of materials and energy in order to provide products and services that conform to our business partners' and society's HSSE standards and needs

HSSE is a critical, integral part of our lives and business, and, we aim to have an HSSE performance that we can be proud of, to earn the trust and respect of our stakeholders, business partners and the society.
